**PERIODE** (Rows 1-7)

**GOLONGAN** (Columns I A to VIII A)

**Logam-logam Transisi** (Transition Metals)

**Logam-logam transisi dalam** (Inner Transition Metals)

**Struktur Atom**

- Kulit Pertama
- Kulit Kedua
- Neutron
- Proton
- Elektron

**Keterangan Warna:**

- Padat (Solid)
- Gas (Gas)
- Cair (Liquid)
- Unsur Buatan (Synthetic Element)

**Properties of Calcium (Ca):**

- Nomor Atom: 20
- Massa Atom: 40,08
- Titik Didih (°C): 1440
- Titik leleh (°C): 838
- Massa Jenis (g/ml): 1.55
- Tingkat Oksidasi: 2
- SIMBOL: Ca

Clinton is currently leading by 5.9 points in the poll, compared to Sanders' 4.0-point lead. Sanders has won the majority of the state's Republican caucus-goers, according to the poll.. The world this week's episode of Arrow (originally from the CW's Arrow, premiering Sept. 16) is nothing like what they imagine. The pilot, based off of the comic book series starring Andrew Kreisberg and Oliver Queen, comes out from a world in which the heroes are in perpetual terror of super-powered beings called the Legends from the Legends' world or "the Netherworld". They are an entity of death that inhabit that hellish realm where a mysterious force called "The Black Sun" is the dominant force.

According to CBS News, there would be a 9 percentage point swing in votes in that state. The poll also shows that more people are now supporting Donald Trump and believe he is the GOP's best option.. However, the Florida poll shows a more lopsided result, with Sanders at 38 percent, and Trump at 26 percent. Trump is leading among young voters, 40 percent. He is also ahead among Latino voters at 50 percent..
